Are you a patient of Danebridge Medical Practice? Yes No		Medications and repeat prescriptions - If the Sandiway Surgery site was to close, what measures would you like to see made available to support patients living in the Sandiway and Cuddington area with respect to support with medications, prescription reviews and ordering and collecting repeat prescriptions?	Medications and repeat prescriptions - do you have any further questions or comments on this?
Yes	CW82QH	A local point to give your prescription order into	Elderly and disabled people need to have good access to their medication
Yes	cw82	Phone service for support with medications, prescription reviews and ordering. Home delivery for medications	No
Yes	CW8 2QN	There are simply no measures which would compensate for the loss of the surgery!!  There is no practical answer to this question other than to keep	The many patients who do not have transport or online access will have no way of obtaining meds or repeat prescription.
Yes Yes	CW8 2QN CW82	the surgery open Open a new practice	Keep the surgery open No
Yes Yes No	CW82 CW82 CW82	That the ordering of prescriptions on line be made easier and more readily available. Also that some means may be made available to those who are unable to use this service. These are likely to be the older people so there should be a means to leave your prescription request locally.  Sandiway chemist to receive and process prescriptions.  Use the Sandiway Surgery Site for this purpose	There will be. A greater need for prescriptions to be delivered to patients and this must be addressed.  No  Make more use of the local pharmacy
Yes Yes Yes	Cw8 2 Cw8 2 CW8 2	This would inconvenience elderly patients and those without transport especially. Not all patients have the use of computers and internet. Face to face contact and help for prescription repeats would not be available to local residents. This surgery in sandyway is a lifeline. Please reconsider your decision to close Continued repeatperscriptions  Use the Sandiway Surgery for this.  A specific prescription hub service based in sandiway available to those who can not order scripts online for various reasons.	Please do not close this important community lifeline. You will leave the village without a doctors surgery whilst keeping two surgeries in Northwich.  After many problems the service is working well.  There is a high population of older people in the village so this is a major issue.  I am able to access patient access to request repeat medication but there are lots of patients who are unable to do this and could suffer as a result of this.
Yes	Cw82	I do not want it to closebut if it must please make it easier to get through to Danebridgethe phone is a nightmareand as an old widowpatient access has me 'beat'.	No
Yes	CW8 2	Some form of deposit box for those who do not have computer access within the village, possibly at the pharmacy, with Danebridge responsible for emptying it daily.	No
Yes Yes Yes	CW82 CWLX CW8 2	Make it easier to register online and order repeat medications and obtain free delivery I want to continue with my delivery service- currently via Danebridge pharmacy	Many of the residents of Cuddington and Sandiway are unable to order medication online and rely on the surgery in the village. Had lots of issues with poor service from Rowlands pharmacy in village
Yes	CWQQ CW NL	Much better service from Rowlands-I had to switch to Danebridge pharmacy in Northwich who are excellent and open a lot more-however husband has to drive to collect-kept running out at Rowlands and they were very unhelpful  For those without a computer, a failsafe, easily accessible method of ordering and receiving medications.	See above-and need more flexibility about special scripts-I'm on methotrexate and so annoying can't be ordered further in advance-have been close to running out on numerous occasionshence need to switch pharmacies  Neighbours currently drive to Danebridge to post their prescriptions in the box there, rather than risk delays if posted in the Sandiway surgery box.
Yes	cw82	Alternative collection point for ordering prescriptions. Presence of a clinician in the village to advise on medication. If you are on line this is not a problem. If not the problem is the	No
Yes	cw82	lack of local transport and the extra time to get to either Kingsmead or Northwich for those not able to order on line, there should be a local point	no. But having said that it is now taking a week and more for the current on line system to work. Why? the answer would not lie at Kingsmead or Danebridge, being too
Yes	CW8 2	on a very regular basis where someone would be available to assist people	far away. Not everyone has their own transport, public transport would be a joke.

			Repeat prescriptions to be on a rolling issue. Facility for new and	Use of vehicular transport just to deliver prescriptions to  Northwich is adding to pollution and climate change conditions.
Yes		CW8 2	repeat prescription collection in village.	and future viral diseases.
			Patient reviews, and their follow-ups, would be much more	
Yes		CW82	difficult. Commuting to Danebridge takes far longer, and is much more expensive, than walking to Sandiway Surgery!	
			Prescription reviews to be possible face to face with a qualified	
	No	CW8 2	doctor in Sandiway.  I already order repeat prescriptions online, but not everybody is	No.
Yes		CW82	able to do this.	No
V			Arrange for an alternative facility where people can get help	N
Yes		CW82QQ	with regular medication.	No
			I would like to see automatic monthly repeats of dispensing	
			prescriptions at the village pharmacy (as has been carried out during the Covid pandemic) with perhaps a yearly telephone	
			review and the ability to adjust the amount of medication	
			dispensed also by telephone. As a non-driver my priority is to	
Yes		CW8 2	avoid having to travel to Northwich to request repeat prescriptions or adjustment to prescriptions.	
			I do mine through Patient Access but in an emergency ring the	
Yes		Cw8 2	practise.	No
			There needs to be somewhere in the village to drop off	
			prescription requests- so people in the village can walk to access	
Yes		Cw8 2	this faculty. Not everyone has access to drive to Northwich/ kings mead and public transport is not a good substitute	Do not close Sandiway surgery. It will be a massive loss to the residents of the village.
. 65		00 _	Needs to be somewhere in the area where repeat prescriptions

Yes		CW82	For you not to shut the surgery	No

Y	res res res		CW8 2 cw8 2 CW8 2	Option to get repeat prescription by phone which are sent automatically to pharmacy. Free delivery of medicine for people with no transport. Home visit by GP for face-to-face medicine review for patients with no transportation. THERE NEEDS TO BR PROVISION MADE FOR PATIENTS TO BE ABLE TO DROP OFF AND COLLECT PRESCRIPTIONS. THIS COULD MAYBE BE THE CHEMIST, BUT THAT WOULD MEAN THEY HAD EXTRA WORK TO DO. FOR PEOPLE WITH NO TRANSPORT DANEBRIDGE AND KINGSMEAD ESPECIALLY ARE HARD TO GET TO.  Keep pre-pandemic arrangements. Have somewhere local ie the chemist where patients could	NO I do not want to see the Sandiway surgery closed The chemist could have a box for people to put prescription
	⁄es		Cw8 2	access these services I would like any prescription review appointments to continue to be held over the phone because I have no way of attending the other surgeries in person (in normal times), other than	requests in
Υ	⁄es		CW8 2	paying for taxis.	
				Keen Candingay open The way this survey has been worded it	At the risk of being repeatative, Keep Sandiway open The way
٧	⁄es		CW8 2	Keep Sandiway open The way this survey has been worded it looks like the decision has been made to close it.	this survey has been worded it looks like the decision has been made to close it.
	es es		Cw8 2	I would like the provision to remain in Sandiway	
				Ability to order and collect prescriptions locally especially if you	
	Ņ	lo	CW8	have no car	No
					Closing the surgery will disadvantage the patients of Sandiway
Υ	⁄es		Cw8 2	A new surgery to be opened in the village	and Cuddington
Υ	⁄es		Cw	and collecting repeats e.g. via the pharmacist or library for those who cannot drive.  I don't think closing is an option. It will cause lots of problems for the elderly and infirm. Lots of this group are not tech savvy	The village and housing is growing and there are many patients who cannot drive and who rely on dropping off prescriptions at the surgery.
				so would be problematical as any physical contact couldn't be	
Υ	/es		cw8 2	replaced by technology.	no
Υ	⁄es		Cw8 2	Do not shut sandiway surgery	Best option for everyone in sandiway is to not shut sandiway surgery
	/es /es			Keep Sandiway open so that when problems do arise they can be sorted with a visit locally not by having to put problems into an emai which in my experience over last summer 2020 took some weeks to sort out. Face to face is best not through a voice saying call between e.g. 1-5pm Please don't shut the surgery	Using computers to order is not within the capabilities of every person. Again face to face is easier and more comforting for those unsure about technology.  Please don't shut the surgery
Y	/es			Would find it difficult as I do now to get to the town surgery as I have difficulty walking. I live in Sandiwaymand at present I'm posting by mail my prescription. I don't drive either. I would like to see the surgery moved to a more stable place either in Cuddington or Sandiway, maybe a large house that could accommodate the doctors and patient. Please don't close altogether.	Not at present.
Y	⁄es			To have some kind of hub in the Sandiway and Cuddington area where residents could attend in person and be seen by a health professional for prescription reviews. What other premises could be used for this purpose? People with health issues often are not able to walk to bus stops or stand waiting for buses, especially in cold weather.	

For the Sandiway surgery to stay open Consider all the circumstances of the people living in the outlaying villages, not everyone has a car, not everyone is able-bodied enough to travel on a bus, the bus service is too erratic and not regular enough to make it to appointments, not everyone feels safe on a bus, not everyone can afford the bus fare and most people can't afford a taxi. dr making more home calls even for minor problems for patients unable to get to the kingsmead or northwich surgery, not everyone has a car. priority appointments for outlaying villages. Accept phone request for repeat prescriptions not everyone has a computer or a smart phone to order on line, not everyone has a car to drop off written request for medication. The regular bus service as is at the moment is not regular enough to make it a viable option to use the bus service to get to appointments it can mean several hours out of your day for a 5 minute appointment. Better very regular free bus service for outlaying vilages to enable people to get to appointments, drop off request for medication etc. not everyone has a car. Easier access to get blood work done without having to sit in hospital waiting room for almost 2 outlaying villages, not everyone has a car, not everyone feels safe on a bus, not everyone can afford the bus fare

accept phone requests for prescriptions - not everyone has access to a computer or smart phone to make online requests, where would written requests be dropped of? would they have hours. Consider all the circumstances of the people living in the to be dropped off at the surgery (back to not having a car and no regular bus service) if written request are posted how to check that the request will arrive and not get lossed.

Essential that patients know what current arrangements are at Continued provision via the local pharmacy (Rowlands) any time eg stage in batch authorisation dispensing. We'll still have the chemists but no doctors Nο If it were to close, I'd like it replaced with another one in the

If it were to close, I'd like it replaced with another one in the same village, offering the same services.

repeat prescriptions can be ordered online, or by post for people who do not use the internet. Collections can still be made at the local pharmacy, or delivered to people who are unable to attend personally. Prescription reviews need to be done face to face, and this could be done at the Village Hall, or Church Hall, on an appointment basis, once or twice a week, as required.

?? I have mine sent to the pharmacy but some people may

same village, offering the same services.

struggle with the online way of ordering

Do not close the surgery

Some prescription reviews require blood tests etc. These could also be done at the time of review, by a nurse attending with the Doctor performing reviews at the local Village/Church Hall. Do not close the surgery

Have a local satellite branch that they could attend in CW82 Sandiway/Cuddington, maybe pharmacy Cwne We need Sandiway surgery to do all of these. Cw82 Priority home visits for elderly patients at least! This question is for you to sort out to meet my needs and to be equally convenient. Keeping the site open is the preferred CW82 option. The Sanduway Surgery should not close. It is the only one in the area. I have no means to travel to another surgery they are CW8 miles away. Online and phone...but this isn't possible for many I would

As I get older and my driving days are numbered I would like to know how you expect Sandiway residents to have 'face to face'

Continue reviews via telephone rather than expecting

Cuddington or Sandiway patients to travel to Northwick

prescription reviews? Yes Sandiway surgery should not close it is the only one in the area, it is so needed especially by the elderly. It is very cruel and

unfeeling to close it.

No

As above

keep sandiway open

Cw8 2 imagine Better pharmacy relationships Online services for all via Web and app and telephone support for those who do not have online access or are vulnerable. Mobile drop off /collection service one day per week for those

> delivery services. Access to GP services as expected for population of area Taxi to surgery

I would rather it wasn't shut as a very poor decision

who do not drive or who have limited mobility. Potential

In future when travel becomes more of an issue access to pharmacy should be local

For the surgery not to shut

We don't all have access to broadband, and a lot of people can't use it.

Cw8 2 Don't close it
