

Kathryn Holmes

Kathryn Holmes has been Musical Director at St John's for the past 30 years with all that that entails. She organises monthly musical concerts and lunches for the village and many other concerts besides. She also has been the driving force behind the Ark Community cafe and its team of volunteers which during Covid also prepared and delivered over a hundred lunches per week to our village community. Kathryn has been one of the main instigators behind us having a weekly food hub in the village for which we have seen an unprecedented demand in recent weeks.

She has the ability to motivate and inspire people to get involved in helping in the community with her boundless energy and enthusiasm.
