## *Chairman's Welcome*

THE Mid-Cheshire Association extend to the boys and officials of the Liverpool Association, and their supporters, a warm welcome to Mid-Cheshire.

This is the first occasion that our guests have visited Mid-Cheshire and we hope to repay the hospitality which was shown to us at Liverpool.

The Liverpool Association have a proud record in the English Schools' Trophy Competition, and having seen them in action, we know that this very fine team of Liverpool boys will do their utmost to add to that record.

We take this opportunity to thank some of the many people who have assisted us. We are grateful to all the senior clubs of Mid-Cheshire for their kindness and co-operation and, in particular, we thank the directors and staff of Northwich Victoria F.C. for the assistance they have given to us in the staging of this game.

We thank also the local Press for all the help they have given to us in many ways and we wish to acknowledge the printing and publication of this souvenir programme, donated by the "Guardian". In conclusion, we wish to thank you—the spectators—your contributions are the means by which we exist. We thank you sincerely for your support.

W. PYE, Chairman  
Mid-Cheshire Schools' F.A.

# The Pride of 'Three Towns'

... says

TALK of Northwich Vics, Witton and Winsford, even of Manchester United and City, has dimmed in Mid-Cheshire during the past month. Instead, the exploits of the finest boys' team ever to grace district soccer, have been on everyone's lips.

**ALICK**

Never before has a side from Mid-Cheshire reached the semi-finals of a National competition and the honour which the youngsters we are going to watch this morning have brought to the Three Towns cannot be over-emphasised.

**DAY**

I was privileged to see their memorable 1-1 draw in the first meeting with Liverpool at Anfield a fortnight ago and if ever one was proud to be a Cheshireman—adopted in my case—this was it.

+

But mere ground advantage does not guarantee them success today. Liverpool are still potentially the best schoolboy outfit in the country and possess several players who will undoubtedly become household names in senior football before long. To name but three: I urge you to watch right-back Geoff Harcombe and the dazzling left-wing partnership of Arthur Kinsey and Alan Roberts.

But, to me, the most talented youngster in either team is Mid-Cheshire's inside-right and captain, Glyn Pardoe. The congratulations of every sportsman and woman who has enjoyed his stylish play goes to the Winsfordian on making his debut for England against Wales at Swansea last Friday.

I am fully expecting Glyn to lead his 10 pals to victory today, and on to a Final appearance against Swansea or Barnsley which should pack any ground in the county—let alone Northwich.
