ST JOHN'S HERITAGE BUILDING PROJECT UPDATE - THE RAMP APPEAL

Over £35,000 of the £56,000 needed has already pledged – over 60% – and they are incredibly grateful to everyone that has helped us reach this amount. However, the nature of the council-backed appeal site is that we need to reach 100% of our target by February 28th, or all donations made on the site will be returned to the givers. That means we have just a month left to raise £21,000. We are holding a series of events in February for the Heritage Building Appeal – which means all money raised will go to support the project.

In addition, if you are able to give any amount – THANK YOU so much.

- to give by card, please go to www.spacehive.com/a-ramp-for-st-johns-sandiway and make (or increase) your pledge
- to give by cash or cheque, please hand your donations to the welcomers at any service (Gift Aid forms are also available)

If you have any questions, please ask John Goulden; Jgoulden22@icloud.com or Ali Fletcher; ali.stjohnsandway@gmail.com or 884039, who would be happy to talk about the project.

## OTHER LIBRARY NEWS

You can now borrow an iPad from your local library. Cheshire West and Chester Council's Libraries Service is launching an iPad lending scheme, which will allow residents to boost their digital skills by borrowing a device from their local library. It will also make it easier for residents without their own technology to access a full range of Council Services. LiBS (the Library iPad Borrowing Scheme) will provide devices for residents to borrow for a six-week period from any Cheshire West and Chester Library. All you need is a library card and a form of ID, and you can join the library online in advance.

Northwich Library will be opening in a temporary location at Weaver Hall Museum on Monday 30 January, while the library building on Witton Street is being renovated.

Initial opening times for the temporary library location are:

Monday, Tuesday and Wednesday: 9am to 5pm

Thursday and Friday: 9am to 7pm ~ Saturday: 9am to 1pm

The new temporary library features a curated collection of the latest fiction and non-fiction titles for adults and children, internet access via public computers and free Wi-Fi, plus a range of events, activities and groups.

A pop-up library service will also be available at Brio Northwich Memorial Court, so residents can return items to a town centre location and borrow from a small collection. This location will be regularly serviced by library staff. Don't forget to look out for library events at Weaver Hall, Memorial Court and across the town centre.
