THE WHITEGATE FOOTPATH SAGA

Hot on the heels of last month's announcement that the Parish Council are going to attempt to re open a footpath which used to run from the Round Tower to Whitegate came the news that Jill King, our very own writer of local history books, is about to publish a book called 'Four Houses' which gives fascinating insights into 4 houses of note within the parish. One of these is the Round Tower and within this is the story of a footpath dispute which arose in 1903.

The Round Tower was one of a number of gatehouses belonging to the Vale Royal estate and gave access to the grounds of the estate. The dispute resulted in Northwich Rural District Council taking Lord Delamere to the Chester Assizes in an attempt to have the road from the Round Tower to Monkey Lodge in Whitegate declared a public highway. Much of this land is now owned by Sandiway Golf Club and currently there are no footpaths shown on the Club website. Historically there is plenty of evidence in the form of Ordnance Survey maps dating from 1875 to 2020 that it was once criss crossed with paths and some people would like to see one reinstated.

The 1903 hearing lasted From March 7th to 13th and judgment was made in favour of Lord Delamere. The hearing is covered in some detail in 'Four Houses' and makes fascinating reading with evidence from some of the 100 or so witnesses who spoke during the hearing, who often bring examples of the humour of the day to their evidence as well as giving us an insight into life in those times.

It will be interesting to see how the attempt to open up a footpath from the Round Tower to Whitegate fares. Although it is unlikely that 100 witnesses will be found the Parish Council needs at least 10 in order to attempt to give the village access to a lovely scenic walk to Whitegate. Please do come forward if you have walked the route they want to open which runs from the Round Tower across Sandiway Golf Club and to the East of Petty Pool.

CONTINUED VANDALISM

The parish council is disappointed and frustrated that equipment at the playground located in Boundary Lane Green, continues to be damaged and even destroyed.

Vandalism in the park can take on many forms such as graffiti and the destruction of public property. The least costly wreckage is the destruction of signs, but some more costly targets are slides, the large rocker swing, and the unilogs. The latest spate of vandalism will cost in excess of £1,500 to repair.

Playground equipment such as swings, slides, and see-saws, meant for children between the ages of 3-8 are being used by teenagers who are far too heavy and big for them. Vandals have kicked down unilogs which feature near the slide.

The Parish Clerk has now advised Cheshire Police and said that this must be addressed, reiterating that culprits need to be reprimanded and educated and suggesting more regular police patrols are carried out.

Neighbours and passers-by who spot anyone vandalising play structures, ripping up plants and trees, smashing bottles or causing other destruction should call 101 or report it online at:

<https://www.cheshire.police.uk/ro/report/asb/asb/report-antisocial-behaviour/>

If the vandalism continues the Council will have no option but to close the playground.

- The council has agreed to support the British Legion in a request to Cheshire West and Chester for a flagpole to be sited at the War Memorial on Norley Road. The Royal British Legion confirmed that it will cover all costs. Flags would be flown on all days laid down by the government.
- Due to the resignation of a councillor, a vacancy has arisen in the Cuddington Ward. Cuddington Parish Council therefore invites residents interested in co-option to contact, during office hours, the Clerk to the Council and Proper Officer as documented in the formal Council Notice. (Contact details as above.) The closing date for written/email submission interests is 18 June 2021 and following that date the Council will fill the casual vacancy by co-option at their statutory meeting on 21 June 2021.
- At the May meeting fellow councillors paid glowing tribute to former councillor Tim Vincent who has retired from Cuddington Parish Council. Tim sat on various committees including Footpaths, Neighbourhood Plan and the Cemetery Committee, and served as Chairman between 2013-2015. Members of the public may know Tim as he regularly walks around the village with his 3 Spinone dogs and spends numerous hours as a volunteer at Norley Road playing fields, making sure everything continues to be of a high standard. Tim was instrumental in securing grants and refurbishing the playing fields in 2017-2018. Councillors are delighted that Tim will continue to be a trustee for Cuddington and Sandiway Playing Fields Association Ltd.

Save Our Sandiway Surgery

Call To Action

You will have received a leaflet asking you to write to Danebridge Medical Practice to make a **FORMAL COMPLAINT** with some information on how to do that.

Complaints are only counted if they are sent through the official channel, which is by letter or email to the Practice with the heading '**COMPLAINT**'.

You should write to: Gilly Davis, Patient Services Manager
Danebridge Medical Centre, 29 London Road, Northwich, Cheshire, CW9 5HR

It is important that you write **NOW** as the Danebridge application to close Sandiway will be re-examined at the CCG Primary Care Commissioning Committee meeting scheduled for 22nd July 2021.

As we said last month Danebridge has reported that they have had **ZERO COMPLAINTS** from patients about their plan to close Sandiway Surgery.

Danebridge are ignoring our 800 signature petition; two public meetings attended by over 300 people; and your Patient Survey responses, all rejecting their plan.

Latest Update

Following the downgrading of Danebridge Practice in May 2019 the Care Quality Commission has re-inspected the Practice. The report is awaited.

We have written a Formal Complaint to the Care Quality Commission, to re-state the importance of Sandiway surgery in providing Primary Care close to home for all their patients. This has also been sent to Danebridge Practice and to the Cheshire Clinical Commissioning Group (CCG).

We have written to the Cheshire West and Chester Scrutiny Committee to ask them to examine the recent unsatisfactory Focus Group consultation and patient survey.

HELP NEEDED FOR THE VILLAGE WEBSITE

Our website was created 5 years ago as an output from the Cuddington Parish "Village Plan". The main aim has been to raise awareness of existing services, activities and facilities in the village and to communicate news and opinion which embraces all village sources. The Parish Council continue sponsorship and support for the website.

The website is typically visited by 2,000 'unique visitors' each month and receives 3,500 visits per month, with users accessing multiple pages each visit.

The Website Development Team are tasked with regular validation and updating of all the information displayed. They aim to ensure that the News / What's On sections of the website always remain up-to-date and relevant. It would be great if we could get help from 2 or 3 residents.
