## FROM CUDDINGTON PARISH COUNCIL RESILIENCE PLAN

*'Oh, Its Mum, I'll just answer this'*

*'Hi Mu.....*

*'Oh, Ellie, I'm glad I've got you. I'm ever so worried. There was a huge storm last night, I was awake all night.*

*Tabby was so scared, I let her into my bed and I haven't had a cup of tea yet.*

*Nothing's working in the house, my heating's off and there's no electric. My phone's down to one line so I have to be quick. I don't know what to do. Nobody's been.*

*What am I going to do?*

*'Mum, Mum, listen. Save your battery and I'll see what I can find out I can't just come up because I only got out of hospital yesterday and I can't drive. Let me ring round and see what I can find out.*

Problems all come together, don't they? Poor Ellie, what is she going to do?

If Ellie's Mum lived in Cuddington, Ellie wouldn't have to worry, because the Parish Council thought about these sort of situations and decided to come up with a plan.

We are very anxious that the most vulnerable residents in the village are not overlooked in chaotic situations and so we are planning to create a Register of residents that do need help. To do this we need your help, by giving us the information.

In the December issue of Round Tower we will explain how residents can register on the list.

So, please think about who you know in the village who needs extra support and with their permission get them on the list!

For more information contact the Parish Clerk, Julie Chrimes on 01606852444 or 07454895099

- The 100 poppies which the parish council ordered are now situated along the main roads around the centre of the village and they look lovely, especially when the sun shines on them. For each poppy a donation of £3 will be made to the Royal British Legion.
- Further to the news that we are to have a zebra crossing on Norley Road, it has been confirmed that there will be public access directly onto the playing field from the crossing. It will involve some reducing of trees and hedges but will mean that people do not have to walk along the short section of narrow pavement to reach the main field entrance.
- The council has been shocked to learn of the amount of anti social behaviour at the library which has included threatening behaviour towards staff. It was therefore decided that CCTV cameras will be installed at the library. They will also cover the car park and shops on Mere Lane and Fir Lane.
- Councillors were pleased to learn that the proceeds from the sale of Fleamoss Pit will allow for the Public Works Loan Board loan that was taken out to build the village hall to be paid off.

## FROM OUR PCSO - ENERGY SUPPORT TEXT SCAM

The new wave of scam texts tell you that you've been identified as being eligible for the government's Energy Bills Support Scheme. They invite you to click on a link to claim your payment. The websites detailed in these texts were all created recently, before being swiftly taken down and replaced by new pages. The fraudulent site invites you to click on a link titled 'Start Now', which takes you to a page asking you to select your energy provider. This then leads to another page where you are asked to enter your bank details.

Any unexpected text messages should always be treated with caution, and you shouldn't click on any links in an unsolicited text message.

You can report suspicious texts by forwarding them to 7726. This reports the message to your mobile phone provider.

You can report dodgy websites by entering their URLs into the [NCSC's website](#).

**Avoid and report this energy scam**
