## HELP OUR YOUTH CLUB TO FLOURISH

Our village YC has gone from strength to strength but the organizers have even bigger ambitions and are looking for funding so that they can employ part time Youth Workers to work alongside volunteers and broaden the experiences they can offer to our young people. These could include dance, art, sport, helping with village projects such as wild flowers and health awareness. For this they are seeking crowdfunding to help raise £9,171. They also hope to get match funding but they need to demonstrate the support of the community to do this so if you would like to help go to ; [www.spacehive.com/cuddsand-youth-club-funding](http://www.spacehive.com/cuddsand-youth-club-funding)

The parish council will contribute £1,000 to the project.

- There have been reports from all local villages of hawkers going round to houses trying to sell items to residents. This practice is illegal. These people try to look for vulnerable people such as the elderly so please report any instances you come across to help stamp this out and protect the community.
- A kissing gate is to be installed on Kennel Lane to give access to the footpaths leading to Kennel Wood and Blakemere. There have been a number of complaints from residents who walk these very popular routes and have difficulty crossing the stile which is currently there. This will be funded equally by our parish council and our Borough Councillors
- The council are checking grit bins round the village to make sure they are topped up ready for winter.
- The repairs to Boundary Lane Green Play Area have been completed

Every care is taken to provide accurate information, however please be aware that things can change after we have gone to print.
