Fraud Prevention Message

We have seen an increase in fraud reports across the Northwich area over recent months.

One type of fraud affecting residents is Courier Fraud. This is where criminals contact victims, pretending to be a police officer or bank official. They may claim there is an issue with the victim's bank account and instruct them to withdraw cash, purchase high-value items such as jewellery or Rolex watches, or hand over their bank cards. The items or cards are then collected by a courier working on behalf of the fraudsters.

Remember:

- The police will never ask you to withdraw money or purchase items as part of an investigation.
- Your bank will never ask you to hand over your bank card or PIN.
- If you receive an unexpected call from someone claiming to be from the police or your bank, hang up immediately.

Contact your bank directly using the telephone number printed on the back of your debit or credit card or check your banking app to verify whether there is any issue with your account. If something doesn't feel right, trust your instincts and seek advice from a trusted friend, family member, or the police before taking any action.

Police Contact Details

Our PCSO, Simon Donnelly, will be holding a Police Surgery on:

Monday 9th November, 4pm - 5pm

Sandiway Library, Mere Lane

Or contact Simon at; simon.donnelly@cheshire.police.uk

Please remember the firework code and celebrate Bonfire Night in a safe and happy atmosphere. There are lots of organised fireworks displays around the borough, where people can have fun and not have the responsibility of having to buy and release their own fireworks.
