## REPRIEVE FOR THE 82 BUS SERVICE

There has been much consternation among residents and councillors over the news that Arriva are to cease running the 82 service on October 28th, leaving the village without a bus service to Northwich and Chester. Our Borough Councillors, Charles Fifield, Harry Tonge and Paul Williams have been approached by residents and by the parish council as this service is essential for students attending Sir John Deane's College and those without their own transport. The village's need for this bus service was recognised by CWAC who have already found an alternative operator to take over on October 29th.

D&G Bus are a small local company based at Wincham and their service offers the following benefits:

The service will operate hourly 6 days a week, excluding Sunday, but the last two departures will terminate at Sandiway not Chester. Advantages are that it will terminate at the Bus Exchange, making onward journeys easier and it will stop at Foregate Street near M&S. D&G Bus accepts Cheshire Travelcard, a 'stored value' card which can be obtained from the Council free of charge. They also offer 15% discount on a variety of fares for Travelcard users.

The timetable for the new service is available at [www.dgbus.co.uk](http://www.dgbus.co.uk)

You can also call them on 01270 252970

## CHANGES TO ST JOHN'S PARISH CHURCH

There has been much interest stirred up in the village by news of proposals for changes to the fabric of our parish church. Opinions have already been aired at drop-in sessions and on social media and rumours inevitably circulate so here is a statement from St John's.

"For many years, St John's has been discussing how to make the church more comfortable, and accessible to all. In September we held a series of drop in sessions where we could start by asking questions about a range of possibilities. In October, the church council will look at the feedback so far and agree on a single proposal to put forward for consultation with all interested parties. The consultation will take place throughout November, and questionnaires will be available via the church website, Facebook and there will be paper copies at all church services and events. More details in the November Round Tower."

## OUR SACRIFICE

## PARISH COUNCIL NEWS

The next meeting of the parish council will take place at the village hall on Monday October 15th at 7.15pm. A Public Forum will take place during the meeting when residents can put questions to the council. This will be very soon into the meeting and residents should arrive for 7.15pm.

Contact the parish council via their e-mail: [clerktoipc@hotmail.co.uk](mailto:clerktoipc@hotmail.co.uk), call 852444 during office hours, or write to: Julie Chrimes, Clerk to the Parish Council, Sunnyside, Withens Lane, Weaverham, CW8 3HX

- The Neighbourhood Plan has passed inspection, and should proceed directly to public referendum. This will be run by CWAC, and is likely to take place in December or January. The document will be subjected to a 'fact check' and final copies printed for placing in the library for public viewing.
- Investigations are underway to upgrade the platform access at Cuddington station for passengers boarding Chester-bound trains to comply with Disability Discrimination Act regulations and facilitate access for wheelchair users. The track crossing will be removed as part of this work to further increase safety.
- The Cheshire West and Chester Local Plan (Part Two) Land Allocations and Detailed Policies Plan was submitted for Examination on 12 March 2018 and the Secretary of State has appointed an independent Inspector, Roisin Barrett, to examine the Plan for its legal compliance and soundness. The examination hearings will begin on Tuesday 18 September - residents are invited to submit their views.
- A further improvement to the newly-refurbished play area is expected during October. A self closing gate will be installed at the entrance to the play area from Norley Road to reduce the risk of children being able to run out onto the busy road there.
- The Village Hall car park will be closed for 3 weeks during October for re-surfacing.
- CWAC have promised to plant a new cherry tree to replace the one removed to facilitate the car park extension on Mere Lane. Its position is yet to be decided.
- A solar-powered speed-indicating sign is likely to be sited in Norley Road to encourage safe driving and a reduction in speed for vehicles coming from the A556 Chester Road.
- The council has received a quote for 3 tubs filled and stocked with winter flowers, customised with 'Cuddington Parish Council', similar to those found in Northwich.

## LEG CLUB

Help for people with leg problems is now available at a dedicated club in Weaverham. The concept was started some years ago by nurse Ellie Lindsay who realised that people, particularly the elderly, with leg problems were often very isolated because of their mobility problems. She therefore developed the idea of these clubs which were situated in church halls, community centres and other places central to communities where people could go to receive leg treatment and also to socialize with refreshments and activities provided. There are now 17 of these clubs and a local group has started one in Weaverham. At present referral by a District Nurse is required but it is hoped it will become available to all. The clinical care will be given by the nursing staff, but the club will be run by volunteers. It will be financed through fund raising events and backed by the regional NHS Clinical Commissioning Group (Vale Royal CCG). The club will be based at The Lighthouse, St Mary's Church, Church Lane in Weaverham, and will operate from 1:00pm until 4:00pm each Thursday.

**If you would like to find out more about them you can go to their website; [www.legclub.org](http://www.legclub.org) or ring them on 01473 749565**
