Cuddington Parish Council

**We are looking for one new Councillor.
Could you fit the bill?**

LOCAL ISSUES NEED LOCAL PEOPLE TO SPEAK UP FOR THEM

YOU could help keep Cuddington a vibrant, good place to live by becoming a Parish Councillor

YOU could be in at the 'grass roots' level of Local Government and be involved in making things happen or getting things sorted!

YOU could get local views about local issues brought to the attention of the powers that be.

You only need to be able to give up one evening a month to attend Parish Council meetings, helping out with projects where you are able, and in return you will receive the satisfaction of knowing that you are helping your local community.

Candidates must be at least 18 years of age and a British subject or a citizen of the Commonwealth and must satisfy **at least one** of the following:

- have, during the whole of the previous 12 months, occupied land, or other property in the community, either as owner or tenant
- have, during the whole of the previous 12 months, had your principal or only place of work in the community.
- have resided in the community during the whole of the previous 12 months

The Parish Council normally meets on the third Monday of the month at 7.00pm (except August).

Any person interested in becoming a Parish Councillor should contact the Clerk, Julie Chrimes, by phone 01606 852444 or email clerktoipc@hotmail.co.uk for more information.

YOUTH CLUB OFF TO A FLYING START

After a successful first night the Youth Club will now be open fortnightly - Friday 1st, 15th and 29th October between 7.30pm and 9.30pm for anyone aged between 11 and 17.

Leaders are introducing new games each week and looking for ideas for new ones for the future. They hope to have a Halloween special on the 29th.

There has been a great response from people who want to help out, but they are always happy to welcome more volunteers. You do not need to have experience as there will always be lead helpers present who have.

Also if you went to the original '69ers' Youth Club and want a trip down memory lane and a look at the changes that have been made, you are welcome to go along to see it

More information including up-to-date travel, news, events, and much more, can be found on our village website: www.cuddingtonandsandiwayonline.org

PARISH COUNCIL NEWS

The next meeting of the parish council will take place on Monday October 18th in the meeting room of the village hall commencing at 7.15 pm

Any changes to the arrangements will be posted on the parish council noticeboards at the playing field car park and by the post box on Mere Lane. They will also be on the village website.

Contact the parish council via their e-mail: clerktoipc@hotmail.co.uk, call 01606 852444, Monday to Thursday during office hours, or write to: Julie Chrimes, Clerk to the Parish Council, Sunnyside, Withens Lane, Weaverham, CW8 3HX

Agendas and Minutes of meetings can be found at: www.candsonline.org

'Rip Off Britain', the BBC consumer affairs programme will feature Greenfield Way in October. Filming took place in August after some residents contacted the makers because of concerns about the right of way to their homes. Ownership of a strip of land between their homes and the public highway is in question. The BBC brought along a solicitor who provided reassurance.

The community litter pick was again a success but unfortunately less people turned out than for the previous one, probably due to the heavy down pour. The parish council would like to thank all those who volunteered on such a wet day.

Members of Cuddington Bowling Club are keen for a new lease to be drawn up between the Wilbraham Estate and Cuddington Parish Council, so that they are able to apply for funding applications. The council is supporting the club.

A community group has been set up to organise the Queen's Platinum Jubilee Celebrations for the village. These will be held at Norley Road Playing Fields on Saturday 4th June 2022. The village Gala will be moved to this date as part of the celebrations.

Pat Chrimes who has lived in the village for over 58 years and is known to many through her tireless work for the community, will be attending Windsor Castle this month to receive an OBE award for services to Ex-Service Personnel. This was awarded in the Queen's Birthday Honours 2020, but due to covid the Investiture was delayed.

CHANGES AT THE LIBRARY

Sandiway Library users will be missing a very familiar face from now! Janet who has been at the library as long as I can remember has retired and is heading off for a new adventure. She still looks exactly the same as when I first met her all those years ago when my children were little. Janet started working for the library service as a 16 year old Saturday girl in Chester, joined full-time when she was 18 and the rest is history...

She has guided me, my family and many members of our community through the world of books, reservations, activities, crafts and coffee mornings - her Guinness cake is legendary! Her smiling face will be hugely missed as will be her calm, friendly, professional presence. I am sure everyone will join me in thanking her for all her efforts on our behalf and to wish her enormous luck in this next chapter of her life.

A tribute from one of her loyal staff members

SAVE OUR SANDIWAY SURGERY

Patients of Sandiway Surgery should now have received a letter from Danebridge confirming the closure of the surgery on 31st December 2021. We suggest you keep this letter as it provides information on the remaining services that Danebridge is prepared to offer its patients.

This is a very sad outcome for the community and the SOS team would like to thank everyone who has very actively supported the campaign to save the surgery over the past 20 months.

Cuddington Parish Council has supported the campaign throughout ensuring that important communications were delivered to residents via the Round Tower, the village website, noticeboards and direct communications to residents at home.

The Parish Council wrote to Louise Gittins, the Chair and Leader of Cheshire West and Chester Borough Council, to express its concerns, about the decision in July by the NHS Cheshire Commissioning Group to close the surgery. The Parish Council has asked for a meeting to discuss the impact on patients in the Parish and on the wider community.

Louise Gittins has responded offering to arrange a meeting with Parish Councillors, and the NHS integrated Care Partnership to discuss the "future model of primary care" promised by Danebridge to its patients in Sandiway and Cuddington.

If you or your family have any problems getting appointments, access to care or medication through Danebridge then make sure you formally report it to Danebridge Practice and copy in Christopher Leese Associate Director of Primary care at: CCG.corporate@nhs.net

There is a national petition to persuade the government to exert pressure on GP practices to open their doors for face-to-face appointments just as dentists, opticians and other specialists are doing.

To view the petition, please follow this link:

A number of you have had Save Our Surgery signs outside your homes for the last year and a half. The SOS team thank you for that and suggest that you should now remove them, as the team can no longer influence what is happening to the Surgery.

The Parish Council is now taking the lead on this.

We are doing our best to keep you up to date. However information can change after we have gone to print. Where possible we have included a phone number for you to confirm the information given. You may find more up to date information our village website
