MAINTENANCE AT RAVENSCLOUGH WASTE

Ravensclough Waste – meetings with residents have been held regarding repairs and ongoing maintenance at Ravensclough Waste, particularly the road surface and stream culverts on Waste Lane which is a public footpath between the village and Whitegate Way. Councillors heard how the surface is deteriorating because of frequent use by delivery and heavy utility repair vehicles and approved further meetings with local residents to discuss how it might be managed to benefit all users.

FLOWER POWER

You will have noticed that we now have a number of planters around the village with bright, cheerful flower displays in. These are being maintained by volunteers from the village who are forming a 'Planters Group' to tend the plants. The aim is to have the planters full, tidy and colourful year round to endeavour to have our lovely village looking its best. The group is supported by Cllr Gillian Edwards and the Parish Council. A new planter has been placed on the corner of Norley Road, opposite the Round Tower so more help would be appreciated.

If you are interested in joining the group, (*pictured below,*) please email

mary.cowen@ymail.com for more information

BECOME A HIGHWAYS VOLUNTEER

There is also an opportunity to get your hands dirty and improve the appearance of our village by volunteering to help with jobs such as weeding, pruning and general tidying by becoming a Highways Volunteer. Contact the Parish Council for more information - details above.
